The Card enables the Customer to access the services (hereinafter the “**Services**” and individually the “**Service**”) offered by Servipark and its partners and to pay for the Services provided in a deferred manner, as specified in Article 4. The list of partners of Servipark (hereinafter called the “**Partners**” and individually the “**Partner**”), which are companies separate from Servipark, is available on the site [www.pcard.be](http://www.pcard.be).

The Customer declares that the information included in Appendix 3 is correct and undertakes to inform Servipark of any change.

The Customer acknowledges receipt and accepts the General Terms and Conditions of Interparking which appear in Appendix 2 of the present contract. The Customer undertakes to consult and, as the case may be, to accept the applicable General Conditions from the other Partners before requesting the provision of the Service by the concerned Partner. Furthermore, in the case of fraudulent or abusive use, Servipark reserves the right to suspend use of the Card with immediate effect. In that case, it informs the Customer thereof in writing.
